Professional Summary

Dedicated and Motivated Ressearcher with experience in working with ESRI ArcGIS and ArcGIS Pro software for developing GIS database, Spatial Analysis, GNSS data analysis and map production. Excle in image processing , Vector data analysis , conducting field works. Critical thinker continious looking at ways to improving process and build technical and researcher skill.

Skills

Skilled in the use of ArcGIS, ArcGIS Pro, Google Earth Pro, ERDAS, SNAP, Google Earth Engine-Java Script, MS officee etc. Extensive experience in spatial analysis, satellite image interpretation, hydrological model, statistical analysis etc. Survey instrument use– GPS, DGPS, Total Station, Dumpy Level, Prismatic Compass, Theodolite.

Work Experience

1. Designation: GIS Expert.

Tenure: Nov 2023 – Present

Organization: Social Action for Rural Development (SARDA), Ramgarh, Jharkhand.

Project: Cluster Facilitation Project (CFP) under rural development and panchayat raj, govt of Jharkhand.

Job role: Prepared various type geospatial mapping using basemap and satellite image analysis (location mapping,elevation mapping, base map feature digitization..road,pond,open land, agricultural land, forest land), Field survey and collected village level data, prepared details project report, DPR submitted district GIS office.

2. Designation: GIS Executve.

Tenure: July 2023- Nov 2023

Organization: Sentientia Lustrum Pvt Ltd, Sector V, Kolkata, West Bengal 700091.

Project: City gas distribution project Uttar Pradesh & Delhi.

Job role: Digitize every feature using arcgis base map (road, building, roadside open land,) and prepared a peoper layout. Gdb prepared and distribution to other and area devided for complite working area. QC gdb and load gdb, attribute fillup. Prepared gdb for delevery data.

Project: Automatic driving project using geospatial data-Isreal contry.

Job role: gdb open arcgis set coordinate system. Digitize land percel every feature using drone data. Capture Road segment, tree, connection path, utility box, eletric poll, junction area.

3. Designation: RS & GIS Internship.

Tenure: March 2023-July 2023

Organization: Earthmap GeoSolution PVT LTD, TARAKESWAR, West Bengal, India – 712410.

Project: Working various type project.

Job role: Create shapfile as per building and set coordinate system, topology error check. LULC mapping using satellite image. Excle data fillup and correction using Google Earth Pro 3d area (Building height, tree height, tree latitude longitude, ground elevation).

Education:

Qualification	Subject	School / College / University	Institute	Passing Year	Persentage
Class 10	Bengali, English, Math, History, Geography, Life Scince, Physical Science	Sainthia Town High School	West Bengal Board of Secondary Education	2016	56.57 %
Class 12	Bengali, English, Geography, Econimices, Phylosophy	Sainthia High School	West Bengal Council Of Higher Seconadry Education	2018	79 %
Bachelor of Arts	Geography	Bolpur College	Burdwan University	2021	79.4 %
Master of Seience	Geoinformatics	P.R.M.S Mahavidyalaya	Bankura Univetsity	2023	86.8 %

Other Qualification:

M.Sc thesis: Identification & Mapping of Flood extent using Sentinel-1 SAR data: A case study of Kamrup district ASSAM, 2022.

Software use SNAP, ArcGIS and Google Earth Engine.
