- **P&L Management:** Experienced in managing Profit & Loss statements, optimizing financial performance, and ensuring sustainable profitability through strategic planning and cost management.

EXECUTIVE CAREER HISTORY & HIGHLIGHTS

Since Aug'23 with Square Yards, Noida as Regional Manager

Key Outcomes:

- Spearhead the establishment of a **new vertical from ground zero**, overseeing the recruitment and training of Business executives and Team leaders to ensure seamless operations and achieve business objectives.
- Mentored a team of 24 Business Development Managers and 3 General Managers, using a data-driven approach to surpass revenue targets and drive organizational success.
- Lead and cultivate a high-performing B2C Sales team, driving productivity and surpassing sales targets through strategic planning, hands-on coaching, and skill development initiatives.
- Spearhead the identification of lucrative sales opportunities and market challenges, collaborating closely with sales teams to devise innovative action plans for revenue expansion and market penetration.
- Develop and execute detailed sales objectives on a weekly, monthly, and quarterly basis, meticulously monitoring performance metrics and generating actionable insights to drive strategic decision-making and optimize sales performance.
- Refine sales and marketing strategies by analyzing market trends, optimizing lead conversion across channels like E-mailers, Chatbot, and cold calling, ensuring alignment with evolving market dynamics and customer preferences.
- Drive innovation by collaborating with product managers to develop new features and with the marketing team to optimize lead generation tools, maximizing revenue potential and maintaining competitive advantage.
- Enhance the team's knowledge of Square Yards' Digital Advertisement packages and services, and develop strategies to effectively pitch these to meet customer needs and close sales.
- Collaborate with Marketing, Sales Operations, Business Units, and Corporate Retention teams to execute sales and retention campaigns, and use data analysis to identify areas for continuous improvement.
- Oversee city-wide business operations, including acquisition and sales transactions, to generate revenue and manage P&L responsibilities.
