SKILLS

Programming Languages

- Python
- React JS
- Angular
- TypeScript
- JavaScript
- CSS
- HTML
- Basics about IONIC Frameworks Angular for developing GIS related mobile applications

Softwares & Tools

- QGIS
- ArcGIS Pro
- ArcGIS Online
- ESRI ArcGIS JavaScript API
- ArcGIS Enterprise
- Arcpy
- Geoserver
- Open Layers
- Post GIS
- Azure
- Confluence / JIRA

HARISH Vijayakumar

Career Objective

To secure a challenging position where I can effectively contribute my skills in the field of Geo- technology & Geo-informatics and possessing competent Technical Skills.

Professional Summary

Having 5 years of work experience in Geographic Information Systems (GIS).

Professional Experience

Associate(GIS Developer)	Cognizant Technologies Pvt. Ltd.	Jan 2023-Till now
Sr.Geomatics Technician	Eagleview Technologies Pvt.Ltd.	Aug 2020-Dec 2022
Associate	Wipro Technology Pvt. Ltd	Feb 2018-Jul 2020

Cognizant Technologies Pvt. Ltd.

Project Summary : Project - Network Rail - GAIA January 2023-July 2023

- The purpose of the project is to merging various applications into single application.
- Major responsibilities to work on GIS components based on Angular with Open layers.
- Create and execute GIS layers and code level restructuring for GIS components of UI application and handling server side response.
- Adapted quickly to changing requirements and priorities in an Agile environment, delivering incremental value with each sprint.

Tool used - Geoserver, Microsoft SQL Server, Angular.

Project Summary : Project - Network Rail - MWM July 2023 - Till Now

- Handling GIS part in portal web application
- Major responsibilities to work on GIS components based on Angular with Open layers.
- Demonstrated strong debugging skills including error tracking to identify and resolve issues in GIS applications and databases, ensuring smooth operation and optimal performance.
- Handling REST API's related to GIS-UI.
- Unit Testing in angular(JASMIN,KARMA) once development is done.

Tool used - Angular with open layers, Geoserver , SQL Server

Eagleview Technologies Pvt. Ltd.

Aug 2020 - Dec 2022

Project Summary :

- EagleView's Geomatics department is responsible for the systems and teams that create
- spatially referenced geographic products, services and tools involved in the collection, storing, processing, and management of spatially referenced geographic information.

Roles and Responsibilities :

- Responsible for creating Pictometry geospatial products,
- which includes new-image processing to full assembly of final
- library creation. Performs a review of digital images and
- acceptability standards, makes decisions adhering to
- expectations and standards and understands quality and
- accuracy are vital components of this role.

Tool used - QGIS , Server based GIS Tools, Build ware

Wipro Technologies Pvt. Ltd.

Feb 2018 - July 2020

Project Summary :

- Process of creating and approving utility map and generating

Roles and Responsibilities :

- Involving in development and support activities by
- associating with UI team.
- By associating with developer team Creating widgets, layers for web map application using ESRI ArcGIS JavaScript API.

Tool used - ArcGIS pro, QGIS, ENVI, Nova, Polaris.

Academic Qualification

- **Master of Technology (M.Tech)** in Geotechnology ,Geoinformatics& Remote Sensing with 71% CGPA Integrated Course (6 years) **Bharathidasan University**, Tiruchirapalli. (June 2011 - June2017).
 - High School Level with 69%, Matriculation of Tamil Nadu.(2009).
 - Higher Secondary School Level with 70%, Matriculation of Tamil Nadu.(2011).
-

Area of Interest

- Remote sensing and Geographic Information System.
- Full stack development.
- Oil and Gas.

Interpersonal Skills

- Highly Motivated and Organized.
- Never hesitate to put in extra effort to complete work on time.
- Be able to work effectively both individually, and as part of a team.
- An ability to learn and apply new programming concepts and skills quickly.
- Leadership Quality, Good Analytical thinking.

Personal Details

- **Name** : Harish V.
- **Gender** : Male.
- **Language Known** : English, Tamil, Telugu, Kannada.
