

KAVIYA S

Geomatics Engineer

OBJECTIVE

- Final-year MTech Geoinformatics student seeking a final-year project opportunity. Aiming to apply advanced skills in Spatial data analysis, Remote sensing, GIS and Machine learning to address real-world Geospatial challenges and deliver meaningful solutions.

WORKSHOP AND CONFERENCE EXPERIENCE

- Participated in a National Workshop on ‘**3D Modelling and Photogrammetry**’ organized by IIT Tirupati (IITTNI) and Kambill Systems in August 2024.
- Participated in the International Conference on ‘**Youth Empowerment for Epidemic and Natural Disaster Management**’ organized by the University of Madras in February 2024.
- Engaged in an International-level workshop on ‘**Google Earth Engine**’ in Geoinformatics conducted by Park College of Engineering, Coimbatore, in March 2022.

INTERNSHIP

- **Summer Research Intern:**
Indian Institute of Technology Palakkad. June 2024 - July 2024
 - Visualized five decades of Spatio-temporal drought patterns in India using a Python-based approach.
- **GIS Intern:**
Karnataka State Remote Sensing and Application Centre - Bengaluru. May 2024 - June 2024
 - Generated base maps and land use/land cover maps using drone technology for BDA master plan preparation.
- **Map Digitization Intern:**
Indian School of Business - Bharti Institute of Public Policy (Remote). Nov 2023 - July 2024
 - Played a pivotal role in the comprehensive digitization of diverse forest areas across multiple districts in India.
- **GIS Internship Trainee :**
Sense Image Technologies - Chennai. July 2022 - August 2022
 - Contributed to "Road Network Mapping for Street Vendor Project (NULM Scheme) in Tamilnadu Corporations."

CONTACT

- ✉ kaviya.s0212@gmail.com
- 📍 Tirunelveli, Tamilnadu.
- 📞 8489028128

EDUCATION BACKGROUND

- **Master of Technology in Geoinformatics**
University of Madras - April 2025. CGPA-8.55 (up to 1st semester)
- **Bachelor of Engineering in Geoinformatics**
Anna University Regional Campus Tirunelveli - April 2023. CGPA - 8.72 (FWD). **Rank Holder**
- **Higher Secondary Education**
Pushpalatha Matriculation Higher Secondary School- March 2019. Percentage - 80.6(Bio-Maths)
- **Secondary School Leaving Certificate (SSLC)**
St. Joseph's Girls' Higher Secondary School - March 2017. Percentage - 91.2

TECHNICAL SKILLS

Programming Languages: Python, SQL, C, R Programming, HTML and CSS.

Tools: ArcGIS, QGIS, ArcGIS pro, ENVI, Erdas Imagine, Google Earth Pro, Photomod, Pycharm, Google colab, Google Earth Engine and Microsoft.

PROJECT

- **Title : Visualizing five decades of spatio-temporal drought patterns in India-A python based approach.**
Duration : June 2024 - July 2024
- **Title : Assessment of tea plantations health and yield using Remote sensing and GIS.**
Duration : January 2023 - April 2023

CERTIFICATION AND COURSES

- Received a Certificate in **Advanced Geomatics Engineering** from IIT Roorkee through NPTEL(2022)
