SKILLS

- Arc GIS 10.5
- ArcGIS Pro – ArcPy
- QGIS
- Google Earth Pro
- Erdas Imagine 2015
- AutoCAD
- Microsoft Office
- My SQL
- PostgreSQL
- Post GIS
- GeoServer
- Google Earth Engine

INTEREST

Urban & Regional Planning
GIS and Remote Sensing
Photogrammetry
Image Processing

LANGUAGES

Telugu
English
Hindi

LICENSES/CERTIFICATIONS

- Workshop - Hands-on experience in Digital Image Processing (Erdas Imagine), Osmania University in 2023.
- Imagery in Action – MOOC (ESRI)
Hand-on experience on ArcGIS Pro

OBJECTIVE:

Passionate about harnessing the power of urban planning, GIS and remote sensing to make data-driven decisions, I aspire to work in a dynamic organization where I can utilise my background in spatial data analysis, mapping, and using technology to derive insights from geospatial data.

EDUCATION:

- **Osmania University – (2022- 2024)**
MSC. Geoinformatics, CGPA - 8.78
- **Jawaharlal Nehru Architecture& Fine Arts University, Hyderabad – (2016 – 2020)**
B. Tech (Planning), Percentage - 64.05 %
- **Narayana Junior College, Hyderabad – (2015 - 2016)**
MPC, Percentage – 92.3%
- **Vidya Talent High School, Hyderabad – (2013 – 2014)**
SSC, CGPA – 7.5

WORK EXPERIENCE:

- **Bharti Institute of Public Policy, ISB – (Nov 2023 – June 2024)**
Georeferencing and Digitizing Forest Areas in Survey of India Toposheets.
- **FOSSEE GIS Summer Fellowship and Internship 2023, IIT Bombay Mapathon – (Oct 2023 – Apr 2024)**
Research work on “Mapping Groundwater Depletion Hotspots and Potential Replenishment Zones in Hyderabad for Sustainable Resources Management”.
- **Internship - Telangana State Remote Sensing Application Centre – (Sep 2023 - Oct 2023)**
Project on soil erosion risk assessment using Geospatial Analysis.
 - Cadastral Mapping – Digitization and Learned Non- Spatial Data Models
- **Junior urban Planner - VVN Technologies Pvt Ltd – (Dec 2021 - Apr 2022)**
Housing for All Plan of Action (Housing Project) – Tamil Nadu Town Panchayats.
 - Collection of Secondary Data at the Town Level.
 - GIS Mapping – Slum Boundary Finalization, Identification of Town Boundaries & Digitization of Boundaries & infrastructure Mapping.
- **Associate analyst - Global Logic – (Mar 2021 – Dec 2021)**
Google mapping, Supply chain - Ground Control Point and image tag annotation and Content Engineering.
- **Intern - National Institute of Urban Management (NIUM), Hyderabad – (Sep 2020 -Dec 2020)**
Data collection, data analysis and documentation of Solid Waste Management.
 - GO 111 Villages documentation and GIS Mapping.
 - Urban Governance for Indian cities.
 - Data quality check of HMDA-approved layouts.
- **Intern - RCUES (Regional Centre for Urban and Environmental Studies), Hyderabad - (Apr 2020 - May 2020)**

for Imagery analysis, visualisation, and Drone2map in 2023.

- Bhuvan Overview Webinar-based training – NRSC, ISRO in January 2024.
- Customised Training Programme on Geospatial Technologies and Application – NRSC, ISRO in July 2024.

ACHIEVEMENTS_____

- Participated in IYF (International Youth Fellowship-2017).
- Volunteered in ITPI (Indian Institute of Town Planning-2019).
- Participated in the National Organization of Students in Planning (NOS Plan) conference in 2019.
- Participated in Geo Smart India 2022 – Geospatial Infrastructure & Digital Twin.

- GIS-based Master Plan for AMRUT cities (Macherla Municipality, AP) review of the sector-wise proposals.
- Karaikal SVP project under the NULM scheme.
- City Profiles of municipalities in West Bengal – Alipurduar and Kalimpong Municipalities.

○ Intern - ZTC International Pvt. Ltd – (May 2019 - June 2019)

- Study on Green walls.

ACADEMIC PROJECTS:

- | | |
|-------------------------------|---|
| • Neighbourhood area planning | - GHMC, Hyderabad. |
| • Traffic studies workshop | - Nehru Outer Ring Road, Hyderabad. |
| • Urban planning | - City Development Plan for Nirmal. |
| • Rural development | - Konnur Village, Wanaparthy District. |
| • Regional development plan | - Nagar Kurnool District. |
| • Thesis project | - (Planning for Informal Sector) A case of KPHB, Hyderabad. |
