internships

DLK TECHNOLOGIES CLOUD COMPUTING

1. Database management skills 2. Cloud Deployment and Migration Across Multiple Platforms.

Virtual Internships

DATA VISUALIZATION :[CERTIFICATE](#)

The TATA visualization empowering business with effective insights.

I worked on a project to help a retail client review their revenue data to prepare for the future. I created data visuals, practiced using Tableau and PowerBI to represent information, and built my presentation skills in a real-world context.

PROJECTS:

MINI PROJECTS

WIKIPEDIA CLONE PROJECT: [LINK](#)

This web application is a simple clone of Wikipedia, built using HTML, CSS, and JavaScript. It allows users to search for articles and view their contents just like the real Wikipedia.

TODO'S APPLICATION: [LINK](#)

To-do lists help you organize your work and keep track of tasks. A good digital to-do list makes it easier to get work done you can create, add or delete tasks.
