Profile

A highly motivated and skilled GIS and Remote Sensing professional with a robust academic foundation and hands-on experience in geospatial technologies. I am currently advancing my expertise through an M.Sc. in Remote Sensing and GIS from JIS University. I bring expertise in spatial analysis, environmental monitoring, and decision-making using cutting-edge geospatial tools. I am passionate about solving complex spatial challenges, leveraging tools like ArcGIS, QGIS, and Python, and am eager to contribute to meaningful projects in urban planning, environmental management, and resource allocation.

Education

M.Sc in Remote Sensing & GIS

JIS University, Kolkata

09/2023 - Present

Continuing to deepen expertise in geospatial data analysis, environmental applications, and decision-making processes.

B.Sc in Geography

Midnapore College (Autonomous) - Vidyasagar University

08/2020 - 07/2023

Graduated with distinction (83%); specialized in physical geography, cartography, and Remote Sensing GIS, Oceanography, Surveying, and Economics Geography.

Travel Management Certification

Midnapore College (Autonomous)

05/2020 - 04/2021

Developed a strong foundation in travel logistics and geographical planning.

Higher Secondary Education. 12th

Bannerjee Danga High School(H.S) - WBBHSE

05/2018 - 07/2020

Successfully Completed Higher Secondary Exam With (91.4%); Geography, Agronomy, and Education.

Skills

- **Geospatial Tools:** ArcGIS, ArcGIS Pro, QGIS, ERDAS Imagine, ENVI
- **Programming:** Html, CSS,Python (Geopandas), JavaScript
- **WebGIS Technologies:** Q Server, Google API,Felt, MAP OG, Leaflet
- **Core Skills:** ArcGIS,QGIS, Microsoft Office, (MS WORD, POWER POINT, EXCEL)

Projects

Urban Centrality in Siliguri Municipality (2011)

analyzing the centrality index for Siliguri Municipality for the year 2011, with a focus on urban spatial dynamics and accessibility. Integrated remote sensing data and spatial layers in ArcGIS to deliver insightful results for planning.

Land Surface Temperature Monitoring (Bankura I & II Blocks) [LINK]

Utilized satellite thermal data to monitor land surface temperature changes in the region.

Siliguri Municipality Road Network Index (web Based)[LINK]

Developed a WebGIS application to visualize Siliguri Municipality for the year 2011, with a focus on urban spatial dynamics and accessibility. Integrated remote sensing data and spatial layers in ArcGIS to deliver insightful results for planning.

For more projects kindly visits my LinkedIn and E-portfolio..

Certifications

ArcPy for Geospatial analysis

KIRS

05/2023 - 09/2023

Learned advanced scripting techniques for automating geospatial workflows and data processing using Python's ArcPy library.

6 Months Diploma In Computer

Midnapore Youth Computer Center

05/2021 - 11/2021

Learned Ms Office, MS Word, Excel, Power Point Etc.

Python Fundamentals From Great Learning [VIEW]
