Tiruvannamalai, 606601

M-Tech Geoinformatics graduate with a keen interest in leveraging spatial data analysis and geospatial technologies to tackle real-world challenges. Skilled in GIS, remote sensing, and spatial analysis, with a strong focus on problem-solving and innovation. Excellent communicator and team player, ready to contribute effectively to the field of geoinformatics and environmental management.

❖ CAREER OBJECTIVE

To be committed and efficient in work, where I can use extensive experience to help the company to achieve its goal of excellence in the field and at the same time cultivate my knowledge in order to expand my understanding of discipline that I have chosen.

❖ SKILL SET

- Technical skills: ArcGIS, Erdas Imagine, sagaGIS, Geoda, Past, Auto CADD, STAAD PRO, PLAXIS 3D, Basics of python, JavaScript, C#, GEE, Unity, MS office.
- Soft skills: Resilience, Leadership, Problem-Solving, Situational Awareness.
- Machine learning, Surveying Techniques.
- Languages known: Tamil, English and Hindi

❖ PROJECT WORK

- Authored a paper titled "A Virtual Reality Tool for Accuracy Assessment of 3D Models in an Immersive Virtual Environment," accepted for publication in the ISPRS Annals as an oral presentation at ISPRS TCIV 2024 symposium
- Developed a Virtual Reality-based tool for 3D Conformal coordinate Transformation using Unity for my postgraduate project.
- Conducted a review paper and numerical analysis using PLAXIS 3D on the 'Effects of pile responses during tunnelling', with validated results in 2021.
- Completed a review paper and experimental work on the 'Ductility and strength characteristics of fibre reinforced cemented sand', published in 2021 through ICON International conference.
- Executed a design project on 'Planning, designing, analysis, and estimation of Gated community villas' during the academic year of 2020.

❖ CERTIFICATION

- Attended Three-day course on "Fundamentals of geodesy organized by Regional centre of Geodesy" at Institute of Remote sensing, Anna university - March 2024.
- Aws Educate badge on Introduction to cloud 101 issued by Amazon Web services training and certification- September 2023.

❖ INDUSTRIAL TRAINING

- Undergone Internship in Antrix corporation ltd, New Bels Road, Bengaluru under the Project topic urban sprawl analysis of Tiruchirappalli taluk using time series remote sensing satellite data July 2023
- Undergone preplacement training for two months (October and November) 2021, as Graduate Engineering trainee at RDC concrete private limited, Medavakkam, Chennai for the role of Quality Control.

❖ EDUCATION

✓ Post graduate

M-Tech Geoinformatics University
of Madras, Chennai
CGPA of **8.40 (till Semester 3)**

✓ Under graduate

BE Civil Engineering Kongu
Engineering College, Perundurai.
CGPA of **8.99**

✓ Schooling

- HSE (2017)

Sishya Matric Higher Secondary
School
with **90.91%**

- SSLC (2015)

Mount Saint Joseph Matric Higher
Secondary School, Tiruvannamalai
with **96.6%**

❖ AREAS OF INTEREST

- UAV (Unmanned Aerial vehicles) based Remote sensing,
- Virtual reality
- Urban and Town planning,
- Geospatial AI
- Microwave remote sensing,
- Geotechnical Engineering

❖ WORKSHOP ATTENDED

- * Analysis in ArcGIS Online, esri, September 2023
- * Successfully completed the "Three day course on Fundamentals of Geodesy" organized by the Regional centre for Geodesy at IRS of Anna university, Chennai from 18th March to 20th March 2024.
- * Water resources management practices for water warriors by GTIS March 2023
- * IGS workshop on soil testing, Kongu Engineering college.
- * IGS workshop on Ground Improvement Techniques for Infrastructure Development, Kongu Engineering college.
